

FRD Center Market Entry Services

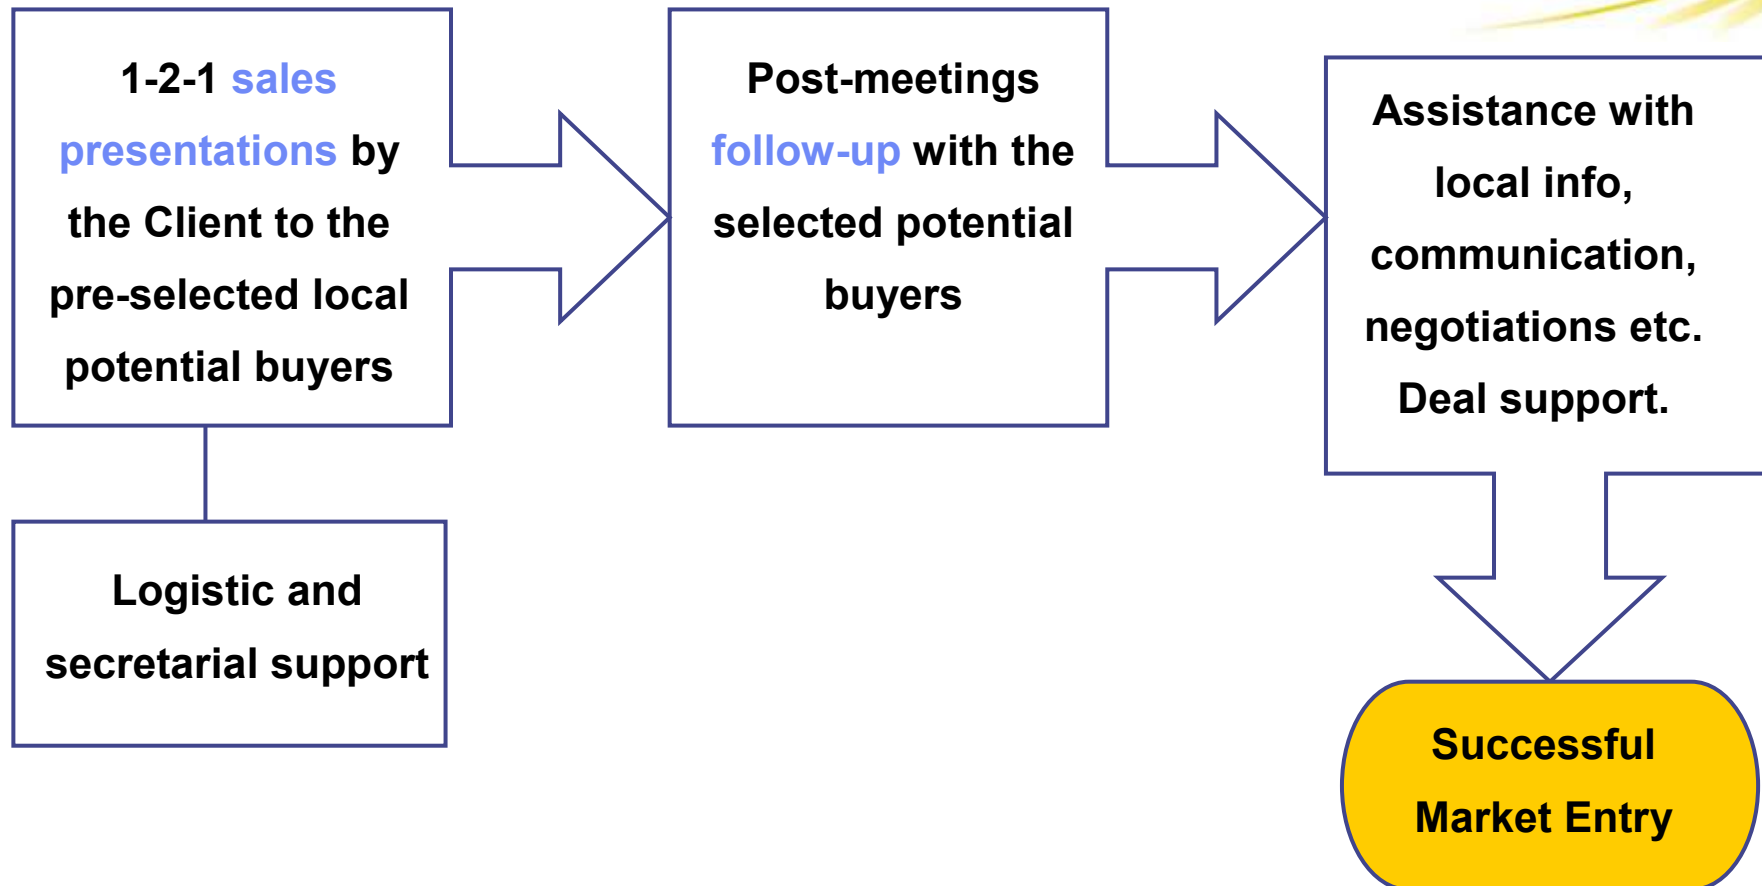

Market Entry and Business Matchmaking Support

Market Entry and Business Matchmaking Support – Phase One

Market Entry and Business Matchmaking Support – Phase Two

Market Entry and Business Matchmaking Support – Phase Three

Team

FRD Center operates with a team of 4 core senior consultants specialised in Market Research, Business Matchmaking, Market Entry Strategy and M&A Advisory.

A pool of over 10 experienced sector-specialists cover fields of interest at a particular time.

Specialist consultant-partners cover areas such as PR, Marketing, Management Consulting, Training, Recruitment, Legal Consulting etc.

The network of local consultants in main cities of Romania include coverage of Transylvania (Cluj-Napoca, Baia Mare, Timisoara, Brasov), Moldova (Iasi, Bacau), South Romania (Constanta, Craiova, Pitesti).

Value added services

At FRD Center, each Client receives **tailor-made** business briefings, **customised** assistance and **personalised** support.

Languages spoken include English, Spanish, French, German, Italian.

Our management team addresses personally the Clients, aiming to offer the best possible **individual** service

We have an extensive network of **local contacts** in business, marketing, administration, non-governmental, logistic and legal support.

In **CE, SE and Eastern Europe**, FRD Center collaborates with local partner-companies, covering all the emerging markets in Europe.

We are familiar with international trade agency **rates** and are prepared to apply similar prices to new projects as well as to volume work.
